

2026 SUMMER PLACEMENTS

August - October 2026

CALLING ALL FARMING ENTHUSIASTS

Agrii are offering a range of seasonal positions within our Farm Saved Seed (FSS) teams nationwide.

As a Seasonal FSS Assistant, you'll be working outdoors, travelling to farms, and getting to grips with some amazing agricultural machinery designed to help farmers prepare their seed for the following season.

What is FSS?

Farm Saved Seed is the name of our department which helps farmers clean, treat and prepare their seed ahead of each drilling season. At Agrii, our FSS business processes over 50,000 tonnes of seed every year using a modern fleet of high-capacity mobile machines.

What will you be doing as a Seasonal FSS Assistant?

Assist with on-farm machine set-up.

Help clean, treat, and process seed.

Travel between farms across your region to support daily operations.

Perform other duties as assigned on an ad-hoc basis.

This is practical, physical work — perfect for those who enjoy being outdoors and want to be part of agriculture during its busiest season.

★ Why join Agrii next harvest? ★

Hourly pay, with excellent overtime opportunities.

Gain hands-on experience with professional agricultural machinery.

Work as part of a supportive team in a fast-paced, rewarding environment.

Seasonal contracts from August–October 2026.

Where you could be based

Coldstream | Dunkirk | Luton | Moreton | Southery | Stafford | Wigtoft

✓ What we're looking for ✓

A full driving licence.

Willingness to work long hours, including overtime.

Comfortable with manual, outdoor work.

Enthusiastic about farming and agriculture.
