and successful future for
Norfolk Young Farmers' Clubs.

Norfolk YFC:

- is run by the members for the members
- it enables young people to make their own decisions, both within YFC and beyond
- offers a variety of learning opportunities including vocational and life skills
- strives to provide a safe environment for young people to be themselves and have fun
- provides a network of support for young people living in rural areas
- educates members in rural/agricultural issues

YFC membership numbers are increasing, please help support its growth.

Our younger members:

Countrysider Clubs have been set up for young people aged 10 - 16 years. Launched in 1996 the clubs have grown across the County and in 2018 made up approximately half of the membership. They are known as the junior branch of the Young Farmers, with many of their members moving on to YFC and positions of responsibility.

If you have fond memories of Norfolk YFC and would like to ensure its future success, then please become a Friend and support future generations of Young Farmers.
