

NORFOLK YFC & COUNTRYSIDERS 2022/2023

BLOCK THREE – CS

GENERAL RULES

1. Please note entries will **only** be accepted on the digital competition entry form, and must be submitted to the County Office by **the set date**.
2. Clubs may enter the total number of entrants, please note that competitors over the age of 28 will not be able to compete at Eastern Area and National competitions and **that only one entry will count towards points**.
3. Provided a club has already submitted their current block entry, they may request to the Competitions & Training Committee (CAT) Chairman a late entry into competitions for that block. Acceptance of a late entry is at the discretion of the CAT Chairman and Vice-chairman and will not be permitted where this will detrimentally affect the running of the competition.
4. Change of entries will **NOT** be accepted later than 3 working days prior to a weekend competition, and 5 working days for a weekday/evening competition; changes on the day may lead to disqualification. Late withdrawals from any competition, changes on the day or lack of attendance will issue a £40.00 fine which will be invoiced to the club, this will be reduced to £20.00 if paid within 7 days. **No show or Late Withdrawal from any competition will also result in 3 marks being deducted from the NFU Trophy score of the Club. Abuse, whether verbal or physical, towards any judge or steward will not be tolerated, teams will be disqualified if this happens.**
5. All competition rules will be strictly enforced and if any Clubs are found to be in default after an event, their results will be discounted and any NFU Cup Points gained will be deducted. Clubs are asked to be particularly aware of the age qualifications for competitors in each individual competition. These are clearly laid down in each set of both County and National rules. **If you require clarification of any rules please refer to the CAT Chairman, Vice-Chairman or the YFC Office. National rules and guidelines will be in place for all National competitions.**
6. COMPETITORS **MUST** BE REGISTERED MEMBERS. **Members must produce a digital membership card with a photograph. Where a membership card cannot be shown digitally it must be printed.** If no card is presented (either digital or printed) then the member will not be allowed to compete.
7. **Insurance.** The cover provided by the National YFC Insurance Scheme will apply to all Clubs and members participating in any of these competitions. Any queries regarding Insurance, contact the County Office in the first instance. Non-members competing where not agreed prior to the competition with the County Office will invalidate the competition's insurance for the entire day.
8. If, at the time of the competition day, a club holds an overdue invoice owed to Norfolk FYFC the club will not be able to compete until the invoice is paid in full. This is in line to the Constitution.
9. Selection of competitors for Eastern Area/National Competitions will be organised on competition days if possible.
10. If there are not enough entries received for any individual competition, the competition will not take place.
11. **A "SCRATCH TEAM" is permitted. The team cannot be placed but will gain 1 point for entering.**
