

Norfolk Countrysiders

Tractor Driving Courses

Fancy learning to drive a tractor? Well here's your chance!

Open to Norfolk Countrysiders aged 13+, Tractor Driving Courses at Easton Campus in October, February and April school holidays!

The 2 day course is subsidised through funding and scholarships taking the cost of £155 per person down to just **£90** for Countrysider members!

Over the course of 2 days you'll not only learn how to drive a tractor, but also get the chance to try your hand at trailer use, general mechanics and, health and safety.

Places are very limited at only 6 people per course - so book early, send in the tear off strip below with your chosen course to secure your place!

*You will be contacted approximately 4 weeks before the course date once your slip and payment have been received. Please let us know as soon as possible if you become unable attend so that we may offer your place to another member. If the course you are applying for is full, you will be put onto a waiting list, or transferred to the following date.
